Experts in Automotive Remotes

REPLACEMENT REMOTE PROGRAM FOR

MEMBERS

- ✓ *Factory keyless entry transmitters for most vehicle makes*
- ✓ *Aftermarket alarm system remotes for most brands*
- ✓ *Fast selling replacement cases*

PRODUCT DEPTH

In-Store Program: 20-SKU display of fastest moving remotes and replacement cases. Sleek design and small footprint.

Special Order Program: Nearly 1,000 SKUs available to meet your customers' needs while minimizing inventory commitment.

PRICING

Cost and price points that will move parts and still generate profits. SRP significantly less than competitors.

Remotes \$43.99 SRP | Cases \$14.99 SRP

EXPERTISE

Talk to us. You will find that we know more about these products and customer needs than anyone else. Our mission is to put that expertise at your disposal, so your customers get the right part and come away satisfied.

EASY

We are the leading provider of replacement automotive remotes to the major auto parts chains, and we have the systems and expertise to support you with a high level of service. Yet we are a smaller, agile company that is easy to deal with. Our call center team of experts is available to support you and your customers before and after a sale.
