

Texas Sales and Use Tax Resale Certificate

For all products shipped within the state of Texas, Remotes Unlimited must collect sales tax unless we have on file certification that a Premier Partner has filed with the state to obtain a Texas Sales and Use Tax Permit.

You can complete this certification either of two ways:

- (1) Complete the certification when you register or when you add a Texas ship-to address for the first time. In order to do this, you will need to know your Texas Sales and Use Tax Permit number.

- (2) Fill out the attached form completely, sign it and send it to Remotes Unlimited. For your convenience, we have already filled in our company and product information. When completed, please send the form to the attention of Lawren Cronk at Remotes Unlimited.

TEXAS SALES AND USE TAX RESALE CERTIFICATE

Name of purchaser, firm or agency Phone (Area code and number) Address (Street & number, P.O. Box or Route number) City, State, ZIP code Texas Sales or Use Tax Permit Number (or out-of-state retailer's registration number or date applied for Texas Permit - must contain 11 digits if from a Texas permit) (Mexican retailers must show their Federal Taxpayers Registry (RFC) number on the certificate and give a copy of their Mexican registration form to the seller.)

I, the purchaser named above, claim the right to make a non-taxable purchase (for resale of the taxable items described below or on the attached order or invoice) from:

Seller: REMOTES UNLIMITED INC

Street address: 12999 MURPHY ROAD SUITE C2

City, State, ZIP code: STAFFORD TEXAS 77477-3943

Description of items to be purchased on the attached order or invoice:

Automotive remote transmitters; related products and components

Description of the type of business activity generally engaged in or type of items normally sold by the purchaser:

The taxable items described above, or on the attached order or invoice, will be resold, rented, or leased by me within the geographical limits of the United States of America, its territories and possessions, or within the geographical limits of the United Mexican States, in their present form or attached to other taxable items to be sold.

I understand that if I make any use of the items other than retention, demonstration or display while holding them for sale, lease or rental, I must pay sales tax on the items at the time of use based upon either the purchase price or the fair market rental value for the period of time used.

I understand that it is a criminal offense to give a resale certificate to the seller for taxable items that I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease, or rental and, depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.
